

I overheard a professor talking about a female researcher who got pregnant: "What a pity, she was a good researcher, now her career is over". – Illustrated by Andrea Hochebner (Instagram: and_hoc)

Last year we asked people to share their stories on discrimination, harassment and micro-aggressions they experienced at the Faculty of Physics. These powerful contributions were illustrated by talented artists to raise awareness for these issues at our University. To see the other contributions, share your story or get involved, visit our website (<https://art.nawi.at/> or via the QR Code).

Because everyone deserves to choose their own path!
