

A colleague saying: 'You only got this position because our boss wanted a token-woman'
- Illustrated by Christina Schmolzmüller

Last year we asked people to share their stories on discrimination, harassment and micro-aggressions they experienced at the Faculty of Physics. These powerful contributions were illustrated by immensely talented artists to raise awareness for these issues at our University. To see the other contributions, share your story or get involved, visit our website (<https://art.nawi.at/>) or via the QR Code).
